

How to Join an onVideo Meeting from an iOS Device

1. Visit the BlueJeans iOS page on the Apple App Store.
 - a. Download and install the BlueJeans iOS app.
 - b. Launch the app from your device to begin.
2. After launching the app, to join the meeting:
 - a. If you have a BlueJeans account, sign in at the bottom.
 - b. If you don't have a BlueJeans account, click the **Join a Meeting or Event** bar.
3. You'll land in the app.
 - a. Enter the meeting ID (and passcode if necessary).
 - b. Enter your name.
 - c. Mark if you want to show your video.
 - d. Click **Join Meeting**.
4. After joining the meeting, you'll have the following in-meeting options:
 - a. Turn your audio/video on and off and end the call.
 - b. Change video layouts (3 options) and share content.
 - c. Open the chat window.
