

Domestic Students Frequently Asked Questions

Arrival

When should I arrive in the U.S.?

It's recommended to arrive USC before the Orientation date(s). There will be emails sent to you about the specific dates of the semester.

What documents should I bring with me to USC?

If you received a degree from an institution outside the United States and are required to complete degree verification, please follow [instructions here](#) to finish the prior degree verification.

In order to finish degree verification and other needs later, it is recommended to bring:

- Original and English translation of your diploma(s).
- Original and English translation of your full transcript(s)
- Immigration related documents (international students).

How should I go to USC campus from the Los Angeles International airport?

Please note that the following are the recommendations from students' experiences. USC does not endorse any travel operators.

1. You may ask some student organizations (e.g. Chinese Students & Scholars Association, Association of Indian Students) to see if they offer pickup services.
2. [Primetime Shuttle](#) or [Super Shuttle Los Angeles](#) are two of shuttle companies. You may reserve pickup services online ahead of time.
3. Request [Uber](#) or [Lyft](#) at the airport. Travelers leaving LAX will be required to board a shuttle or walk to a waiting area east of Terminal 1 to hire a car. LAX-it is the new way to get to your Taxi, Lyft, Opoli or Uber. Take an LAX-it shuttle on the arrivals (lower) level curbside. They are expected to come every 5 minutes, and travel time to LAX-it is typically 15 minutes or less. You can also walk from Terminals 1, 2, 7, and 8.

I will live in USC Housing apartments, can I move in earlier than the official Move-in date?

Only the housing [Customer Service Center \(CSC\)](#) for your building can approve an early arrival request, which should be submitted in writing (an e-mail is OK). Residents may request early arrival on an individual basis. Because the University must also plan for summer school student departures, conferences and other university summer programs, individual requests cannot be

guaranteed. Requests should be submitted to the e-mail address of the Customer Service Center for your housing assignment. [More details](#)
