DEN Petition

- The DEN Petition is a petition to request registration in the DEN section of a course. DEN sections are reserved for students formally admitted to the DEN@Viterbi program.

- DEN Petitions are reviewed on a case-by-case basis. VASE considers the entirety of the situation and any extenuating circumstances before making a decision. DEN Petition approval and registration in DEN sections is not guaranteed. **Students should continue to register in their usual on-campus courses until they have secured DEN Petition approval.**

- DEN Petition approval **does not** change your status to DEN@Viterbi. Your status remains on-campus. You just have approval to register in the DEN section as an on-campus student for a specific term.

The DEN Petition can be found at [https://viterbigrad.usc.edu/forms](https://viterbigrad.usc.edu/forms)

**Petitions and Graduation-Related Forms**

- Graduate School Travel/Research Award Application
- Graduation Checklist (Master's Students)
- VASE Petition to Count Out of Sequence Course
- VASE Petition to Exceed 25% Waiver/Substitution Limit
- Graduate Transfer Credit
- DEN Petition for on-campus student
Who Can Submit – On Campus Students

• Viterbi on-campus students, undergraduate and graduate who cannot attend a class on campus.
  • Undergraduate students: VASE Academic Services approval required.

• Non-Viterbi on-campus students or students in Non-Viterbi online programs.
  • Viterbi Academic Department graduate advisor approval to take the Engineering course as a non-Viterbi student required.
Who Can Submit – PDP Students

- PDP students must have completed their BS degree or will complete their BS degree in the term prior to the requested term to be eligible to submit the DEN Petition.
  - PDP students who will complete their BS degree in a future term will need VASE Academic Services approval to take a course on DEN.

- PDP students who have earned the BS degree and plan to complete all MS requirements via DEN should contact den@vase.usc.edu.
Who Can Submit – International Students

- International students with Internships
  - CPT approval and registration in ENGR-596/7/8 is **required** before a DEN Petition can be submitted.

- International students outside of the U.S.
  - Continuing students who began their program outside of the U.S. in non-F1 status.
  - Students outside of the U.S. will be **required** to complete and submit the DEN International Proctor Packet with DEN Petition.

**IMPORTANT I-20 CONSIDERATIONS**

By submitting the DEN Petition, you are confirming that you will not enter the U.S. and will take courses online via DEN@Viterbi from outside of the U.S. Your initial entry I-20 will be **canceled** and you will need to request an updated initial entry I-20 for whichever semester you plan to enter. **DO NOT SUBMIT THE DEN PETITION** if you plan to enter the U.S. in Summer 2022.
Students who are unable to continue their program in-person for Summer 2022 and need to continue their program from abroad as non-F-1 students and not in the U.S. **must submit** the **Request for Temporary Lift of Registration Hold** to OIS for review **before** submitting the DEN Petition.

You can access the form via the OIS Passport Verification (PPV) website: [https://ois.usc.edu/new-students/firstweeks/passport-verification-ppv/](https://ois.usc.edu/new-students/firstweeks/passport-verification-ppv/)
Students who are outside of the U.S. and requesting registration in DEN sections are required to complete and submit the DEN International Proctor Packet with the DEN Petition.

Not all courses will require proctored exams but DEN will need to evaluate exam proctor options. For this reason, students outside of the U.S. must have an approved proctor on record in order to be eligible to register in DEN sections from abroad.

The link to the DEN International Proctor Packet will be on the DEN Petition form.
Who **Cannot** Submit the DEN Petition

- **On-campus section is full.** Any student waiting to get into an on-campus section of a course that is full or closed.
  - DEN@Viterbi sections cannot be used as overflow for full on-campus sections.
  - If it is your final semester and the course is required, please work with your academic advisor to find alternative options.

- **Time Conflict.** Any student waiting to get into an on-campus section of a course that has a course time conflict.
  - DEN@Viterbi sections do not override course time conflicts with on-campus sections. DEN sections are scheduled at the same day/time as their on-campus counterpart.
  - The student should pursue the time conflict between the two on-campus sections via the Time Conflict Form.

DEN Petition—Common Questions

• Can I submit multiple DEN Petitions?
  You may only submit one DEN Petition at a time. Your active DEN Petition must be completed before you will be allowed to submit a new petition. Please do not submit multiple DEN Petitions as this will cause delays. You should only submit the DEN Petition when you have finalized your course selections for the semester.

• Why was my DEN Petition was denied?
  Registration in DEN sections is not guaranteed. Your denial reason will be included in your denial email. You should have a back-up plan if you are not approved to register in a DEN course.

• It has been 5 business days and my DEN Petition is still pending?
  While we try our best to process DEN Petitions within 5 business days, delays in processing may occur. Please check your DEN Petition status online or contact den@vase.usc.edu for assistance on the 6th business day. You can expect a response within 1-2 business days so please do not send multiple emails to multiple people.
