University Policies

**Academic**  [http://catalogue.usc.edu](http://catalogue.usc.edu)
- The document of authority is the University Catalogue. It’s searchable!
- Review your degree requirements, registration policies, etc.
- If there appears to be a difference between department materials and the Catalogue, *please ask* your departmental advisor or VASE what the correct policy is.

**Conduct**  [http://scampus.usc.edu](http://scampus.usc.edu)
- SCampus contains policies and procedures pertaining to student conduct.
- Freedom of speech, grievance procedures, computing, discrimination and other important topics.
Academic Integrity

• Academic Integrity is extremely important at USC
  • It is the foundation of your degree

• Penalties for violations at the Master’s level are extremely severe grade sanctions (e.g., “F” in course) or dismissal

• If you have any questions about academic integrity issues:
  • Professor
  • Viterbi Admission and Student Engagement (VASE) Office
  • Department Advisor

• SCampus: [http://scampus.usc.edu/](http://scampus.usc.edu/)
Academic Advisement

- **Limited Status students** should contact VASE at den@vase.usc.edu for general advisement.

- **Admitted students** are advised by department academic advisors
  - The Graduate Advisor Contact List can be found at: https://viterbigrad.usc.edu/academic-advisement/
Graduate students may not take courses pass/no pass for degree credit.

Graduate students must earn at least a “C” in a course for it to count toward their degree requirements.
- All grades are included
- Cumulative GPA
- Applied (Degree) GPA

The first semester is critical; doing well is very important.
- One course strongly recommended
Prerequisites and Waivers

• Waiver of prerequisites vary by academic department.

• The ECE Department requires a placement exam to waive prerequisites.

• DEN is unable to waive pre-requisites that are 400-level or above. Please contact your graduate advisor to request a pre-req waiver if eligible.

• Please don’t take a prerequisite course after completing the course it is a prerequisite for!
  • EX: ISE 500 is a prreq for ISE 561.
  • If you take ISE 561 and later take ISE 500, ISE 500 will NOT count!
Viterbi Academic Probation Policy

- All USC graduate students are expected to maintain satisfactory progress toward their degree.

- 3.0 GPA required for graduation in both major and overall GPA

- Grades reviewed every semester.
  - If GPA falls below 3.0, student is placed on academic probation.

- View the complete policy at: [https://viterbigrad.usc.edu/academic-policies/](https://viterbigrad.usc.edu/academic-policies/)
Prior to enrolling in classes, DEN@Viterbi (online) students in the United States need to confirm that their academic program is authorized by their state for online delivery.

USC must be authorized to deliver online programs to students residing in certain states that requires state authorization. Prior to enrolling in classes, DEN@Viterbi (online) students in the United States need to confirm that their academic program is authorized by their state for online delivery. Your program may not be authorized in all states and therefore if you move, you may not be able to continue in the program.

Should you plan to move, please contact den@vase.usc.edu well in advance to determine your options for continuing this program. A list of states where your program is currently authorized is available at the State Authorizations page: https://viterbigradadmission.usc.edu/den-viterbi/state-authorizations/

Questions: If you have any questions about a specific state or academic program, please email stateauthorizations@den.usc.edu.

Access Web Registration

Log in Via myUSC:
1. From the myUSC page, click “Log In,” and access the system using your USC NetID (the alpha portion of your email) and password.

2. Select “Web Registration” located under Student Links.
Reasons Why Web Registration Transactions Fail

- Class is closed
- D-clearance was not obtained or expired
- Prerequisite was not completed or waived
- Restriction or hold was not removed

- Contact den@vase.usc.edu for assistance
All USC students receive a USC NetID account that enables them to access a wide variety of online tools and computing resources at USC.

Activating your USC NetID account will activate your USC email address and enable you to access myUSC.

Your USC NetID will be the first part of your USC e-mail address, before "@usc.edu."
USC E-mail

USC e-mail is the official method of communication between USC departments and students. Failure to check your USC email for important notification is not an accepted excuse for missing deadlines, etc.

Please check your USC email regularly.

LIMITED STATUS STUDENTS:
Limited student USC NetID and email accounts will be created within 2 weeks of the start of the term for which you are in enrolled or within 3 days after you enroll if you register after the start of the term. Registration in courses is required before an USC NetID/email account will be created.
Accessing Your USC E-mail

Students will access their USC email by logging into my.usc.edu and clicking the Gmail link under myServices or Google Apps. You can also access email via google.usc.edu.

Review the link below for more information:
- Google Apps at USC for Students
  http://itservices.usc.edu/google/
You can access OASIS, Web Registration, e-mail, etc. with a single sign-on. USC NetID is required to access myUSC.
You can also access MyUSC, OASIS, Web Registration, e-mail, etc. from main USC website.
Things To Do After You Register...

Things To Do After You Register...cont.

4. ✓ Get your USC ID card (optional)
   A USC ID card identifies you as a currently enrolled student and entitles you to various privileges and potential uses on and off campus.

5. ✓ Activate your USC NetID (if you haven’t already done so)
   Limited Status student email accounts will be created within 2 weeks of the start of the term for which you are enrolled or within 3 days after you enroll if you register after the start of the term.

USC Mandatory Online Training

All graduate students must complete two online learning modules designed to provide knowledge and skills on the critical topics of sexual assault prevention and campus safety in order to register in future terms at USC.

https://sites.usc.edu/studentwellbeing/mandatory-online-training-for-graduate-students/

Log-in to myUSC and click on “Safety and Wellness” to access these modules

Tuition and Fees

- **Norman Topping Student Aid Fund: $8**
  In 1970, USC students elected to assess themselves a mandatory fee each semester to support the Norman Topping Student Aid Fund, which provides scholarships for low-income students.

- **Exam Proctoring Fee: $ varies**
  Because USC exams must be proctored, DEN@Viterbi arranges for off-campus students to take their exams at certified testing centers. These centers may charge a fee ranging from $25 to $50 for their service. The centers require payment at the time service is rendered; therefore the student pays this fee.
Tuition Payment Options

USCe.pay
• Pay online through USCe.pay in OASIS or MyUSC.

Employer Reimbursement Deferment Program
• The Employer Reimbursement Deferment Program assists students with "up front" payment of tuition and mandatory fees.
• For students working at companies who reimburse student at end of semester.
• The program applies only to tuition and mandatory fees. Other fees, such as parking, will not be deferred.

Corporate Billing: Boeing and UTC Employees
• These companies are set up to be directly billed for employee’s tuition
• Please visit the VASE Corporate Billing section for instructions https://viterbigrad.usc.edu/tuition-and-funding/employer-supported/
• Students are responsible for any fees not paid by company
Employer Reimbursement Program

Students supported by a company can defer payment of up to 90% of tuition until after the semester is over.

Program Eligibility
• Your employer reimburses you for tuition at the end of each term.
• Your student account is current.

Program Participation Requirements
• Required every semester prior to the settlement deadline each term
• Complete and submit deferment application
• Pay 10% of tuition, 100% of all fees and a $100 application fee
• Sign and submit promissory note packet to uscsfs@usc.edu

- By default, at the time you register, Web Registration will enroll you in Tuition Refund Insurance.
- Students may opt to purchase or decline Tuition Refund Insurance up until the end of week three of the fall and spring semesters.

The Viterbi School is a "Community of Honor" - the actions of one of us represent us all. Rather than having an academic culture drowning in rules and warnings, we aspire to a higher standard of conduct, one driven by a lifelong commitment to excellence in all our endeavors

– Dean Yortsos
Objectives

• Understand what it means to be part of *USC Viterbi: A Community of Honor*

• Understand cyber-classroom norms (typical behaviors) & expectations
Viterbi Community of Honor

We are the USC Viterbi School of Engineering, a community of academic and professional integrity. As students, faculty, and staff our fundamental purpose is the pursuit of knowledge and truth. We recognize that ethics and honesty are essential to this mission and pledge to uphold the highest standards of these principles.

As responsible men and women of engineering, our lifelong commitment is to respect others and be fair in all endeavors. Our actions will reflect and promote a community of honor.
VCH Breakout!

Read the following two scenarios and discuss with your group on how best to approach them.
Community of Honor In Action

**Academic:**
You need a 3.0 to graduate and you got a B- in a class putting you at a 2.9. Is it ok to ask the professor to bring up your grade?

**Professional:**
You have to present a project status report in an hour, but a few objectives haven’t been met. You can complete the tasks by tomorrow. Do you tell your supervisor the project is up to speed or do you state what is actually complete?
